Train up a child in the way he should go... Proverbs 22:6

Newsletter July 2024

Dear Parents,

July 10, 2024

I hope that everyone is enjoying their summer break, getting rest, and spending time with family.

The school board updated the dress code policy at last night's meeting. Please see the attachment for this updated policy. The changes from last year are highlighted, which ultimately gives you more detail and specifics of what is and isn't acceptable. Please let me know if you have any questions on this.

The board also updated the Tuition Assistance Application and process. If you foresee the need for tuition assistance, please call the office at 847-7375 to request an application. Applications are due August 10 and notice of disbursement will be given 2 weeks later. The amount disbursed will depend on the number of applications, the tuition assistance amount that we have available this year, and the needs of each family. The final decisions will be made by a committee formed by the school board.

Please remember that we will be decorating the parade float on Saturday, July 20 at 7pm. Please come to school and help if you can. Also, we would love to have as many of you as possible walk with us in the Water Carnival Parade on July 21. We will get you more information later on where to meet if you are interested. Please wear your school shirt, or our school colors which are blue and white.

The Becker County Fair is August 8-11 and we still need volunteers to help sit at our booth. Please call the office if you have time to help with this for a 2 hour time slot.

Thank you, and enjoy the rest of your summer!
