

Snow Day Activity Ideas

Faith Christian School

Parents, at Faith Christian School, we do not make up snow days as a part of our calendar. Instead we have a list of ideas for you to do with your children or have them do while you are at work so they can continue to learn even when they are not at school. So much learning can take place at home just by doing everyday home activities. Every time there is a snow day, please have your child do the required (highlighted) activities for sure and then choose a few of the other activities as well. Have a great and safe snow day! (Teachers will ask their students the next school day what they did on their snow day.)
